View the Grade History

This process describes how to access the Grade History report from within the Grade Center.

- Access the Grade Center
- Hover over the Reports top menu and click on View Grade History

• Select the date range to display from the drop down and click Go.

Please note that Grade History retains data since creation of the Blackboard site. Selecting All may take some time to load.

• Results will be displayed accordingly. Note the Grade History is considered an official Curtin record and is auditable.
