

External Referencing of Standards (EROS) Participant Agreement

PARTICIPANT AGREEMENT

1. I have had the pilot project explained to me and have read the information and guidelines provided.
2. I agree to participate in the External Referencing Pilot Project as described, and which includes the following universities:
 - RMIT University
 - Curtin University
 - Queensland University of Technology
 - University of Wollongong
3. I understand my role in the project is to provide collaborating universities with the required coursework program information for which I am course or unit co-ordinator. I will use the checklist of information to complete this. I will also be available to speak with staff of the other universities to develop the relationship necessary for the project, and to provide clarification and advice as required.
4. In turn I will be required to review the program or programs of the other universities in the project using the template report format and associated guidelines provided.
5. I understand that if I have questions about the project I can contact the university project co-ordinator as follows:
 - RMIT University – Peter Czech
 - Curtin University – Jon Yorke
 - Queensland University of Technology - Judith Smity
 - University of Wollongong - Simon Bedford
6. My participation in the pilot project will give me access to confidential information including samples of de-identified student assessment tasks.
7. I will respect the views and opinions of others during the pilot project process.
8. I will not compromise anyone else's intellectual property or participant confidentiality.
9. I agree to participate in the evaluation stage of the pilot project as described.
10. I understand that the information, feedback and views I provide may be used in the final report on the pilot project, but will not identify me.
11. I understand that research, conference and other papers the pilot may give rise to will not identify me.
