

Assessment Classification used in AQ Process and Curriculum Management (AKARI)

AC Level 1 What work¹ is being assessed	AC Level 2 Assessment/object type	AC Level 3 Nature/Conditions
Submission	Document	Text-based ²
Submission	File	Non-text
Submission	Object	Physical
Submission	Link	Text-based
Submission	Link	Non-text
Submission	Portfolio	Physical
Submission	Electronic portfolio	Text-based ²
Submission	Electronic portfolio	Non-text
Submission	Take-home test/exam	Non-Invigilated
Examination	Exam	Central-invigilated
Examination	Exam	School-invigilated ³
Examination	Test	School-invigilated ³
Examination	eTest	School-invigilated ³
Examination	eTest	Remote-invigilated
Examination	eTest	Non-Invigilated
Performance	Skill	Demonstration
Performance	Skill	Creative
Performance	Presentation	In-class
Performance	Presentation	Online
Performance	Presentation	Other
Combination	Presentation and Document	In-class + text-based ²
Combination	Presentation and File	In-class + non-text-based
Combination	Presentation and Document	Online + text-based ²
Combination	Presentation and File	Online + non-text-based
Combination	Presentation and Object	Studio + non-text-based
Combination	Skill and Document	Demonstration + text-based ²
Combination	Skill and Document	Demonstration + non-text-based
Combination	Skill and Document	Creative + text-based ²
Combination	Skill and Document	Creative + non-text-based
Combination	Presentation and Document	Other + text-based ²
Combination	Presentation and File	Other + non-text-based
WIL-Practicum	Integrated knowledge-skills-behaviours	Performance evaluation

¹ This is the work, the artefact or performance, that is viewed and marked. The location of the student learning experience or situation where the work was created is not reflected in the classification.

² Including handwritten as well as digital documents

³ Including In-class venue, laboratory or specialized venue, and other school venues or school managed events
